Issue II November 2015

**South to North Delegation
October 2015
Our relationship is
strengthened through
shared experiences!**

Delegates: Padre Jaime, Leo, Chepe, Sonia, Pablito and Pablo

The six delegates delighted in a rich set of visits and encounters as they learned about us and our community. They spent time visiting various ministries associated with St. William, saw the sites from Churchill Downs to the Slugger Museum, heard about the proud history of the civil rights struggle in Louisville, lived and broke bread with our families, visited and learned from small farmers and their markets, shared their personal stories, spoke about their experiences with climate change, and delighted in their first Halloween encounter!

A Note from the Board by Don Pitts, Chairperson

Please take a moment to look at these pictures of the recent Delegates' visit. Your support of our brothers and sisters in Nicaragua allows us to continue to provide financial support for the Clinic of San Guillermo (serving the sick of the community), the Nutrition and Organics programs (providing innovative technical and material support for family gardens of 70+ women and 30+ organic farmers) and the Casa Materna (serving women experiencing high-risk pregnancy). These diverse programs are run by community leaders who know and understand the needs of the people. Please make a generous year-end contribution today. 100% of your donation goes to the support of the programs. Thank you! donpittsmft@gmail.com
